Product Labeling

Do all hearing aid-compatible handsets include labeling? No

Explain: Movida Cellular was acquired out of bankruptcy. Existing inventory and packaging was used during transition. This information will begin being displayed in 2010.

Do all hearing aid-compatible handsets with the Wi-Fi air interface have clear and effective disclosure that the handset has not been tested for hearing aid compatibility with respect to its Wi-Fi voice operation? No

Explain: Movida Cellular was acquired out of bankruptcy. Existing inventory and packaging was used during transition. This information will begin being displayed in 2010.

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Yes

Website address: http://movidacellular.com/fccmov.php

Explain:

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: Movida Cellular serves low-income, underserved customers. Our in-direct distribution directs customers to our website or our toll-free call center for information regarding accessibility.

Methodology for Functionality Levels

Movida Cellular uses a Good/Better/Best approach that considers features, accessibility, and price. Good = simple voice. Better = more features, voice, and text. Best = feature rich voice, text, and data.
